

Bulletin #6:

August 19, 2022–

1 : Water On Stage Road

On SS 2/6 Steamboat after instruction 26, mileage 10.92, there is approximately 4 inches of water extending across the stage road. The water extends for approximately 50 feet. Use caution, keep left.

There is more standing water on the stage road after this point to the end of the stage than was there during recce.
