

**Bulletin #8:**

**August 20, 2022–**

**1: Soo Pass Course update**

On SS15/17, at stage instructions marked “onto grass” there is now loose gravel in place. This gravel is fresh placed since recce and transitions to grass (or mud) before rejoining the trail.

**2: Mud warning**

Deep mud after instruction 8 on SS 15/17.

**3: Impound Location Change**

Impound is moved follow marshal directions to impound/Parc Ferme.
