To:	All FIA CCR Baja Competitors	Attachement	1

On behalf of organiser everybody welcomed in 19th edition of Hungarian Baja 2022, FIA Cross Country Baja European Cup event !

Some general infomations

1. One Bulletin issued, please read it carefully.
2. During weekend will be very dry and hot weather, we remind you of the dangers of dehydration. Regarding the weather conditions, the organizer will supply water to the competitors on the 2022.08.06 in the neutralisation Zone.
3. The soil and grass are very dry, think of the fire risk !
4. Usig headlights is obligatory in Hungary on special stages too.

Important safety announcements:

1. The emergency phone number is **+36 70 741 03 14**, mentioned in the road book too. If necessary please use this number or call one of our CRO.
2. Please use the SOS/OK sign if necessary. The competitors reminded to Art 48.4 of CCRSR - procedures in case of an accident.
3. As the terrain type of the rally is Safety type B, the WPP (Precise Waypoint) are operating without showing the arrow of the direction. Please follow the road book signs.
4. The Stella device's overtaking/Blue flag is operate within 300 M. Distance greather than this the signal will not reach the competitor in front. Also the vehicles should drive relatively the same path.
5. We remind the competitors that is forbidden and dangerous to cut or shorten the rally route, especially on cultivated and military lands. The rally road must be completed as the road book boxes and the waypoints shows.
6. We remind you that the SS roads are not exclusively reserved to competitors, although we have taken many works and great care in safety:
 - we put bands and signs for competitors and keep away the public too,
 - in the road book you find several small blue signs and radio post numbers where safety marshalls present, in these points you can ask for help,

- on each SS you find intermediate medical and rescue points, where ambulance and rescue teams stay on alert. These points are shown in the road book.
- the dangerous parts of the track are marked by caution signals („!”) in the road book.
- Some parts of the stage are flat, you may see other competitors. Please do not try to follow the other competitor, just obey the road book.
- Due to the strong wind the markings/bandings could be destroyed on the stage. We kindly ask the competitors to follow the road book signs, and take into account, that the bands, signs can disappear or be blown away by the wind. The road book signs are valid.

7. In 2022 CCRSR the maximum speed for groups is regulated with different values. This will be checked by the NAV-GPS team.

Please pay attention to the following sporting matters:

1. Keeping the speed limits in the service area is important, where children, spectators can be walking close to the road, it is valid for assistant vehicles too! The speed limit in service area is 30 km/h according to CCRSR Art 51.3. You find also some speed control zones in the road book.
2. On Saturday SS2 and SS3 selective section is in two parts divided by neutralisation zone. Please follow the regulations in CCRSR Art 45.
3. If you are not able to complete the special stage whatever reason, you should leave the rally-road, drive to the service zone and rejoin the rally in the next regrouping by the time the first vehicle is scheduled to regroup out. In case of leaving the track you must report as soon as possible to the headquarter via phone or via marshalls positioned by the track, but in any case obligatory to inform the HQ !

Due to the request of Event Promoter the route around the podium slightly changed, please follow the marshalls' instructions (see attachment).

We wish you safe and successful competition and hope you will enjoy it !
